

**IAN LOVEJOY**

---

# Knows Virginians Want Consensus

Ian Lovejoy knows that we can both protect babies and support women. **He supports Governor Youngkin's commonsense bill to protect life at 15 weeks, when a baby can begin to feel pain while preserving exceptions for cases of rape, incest, and the life of the mother.**

By leading with compassion and building consensus, we can make sure there are fewer abortions in Virginia.

# Where Ian Lovejoy Really Stands: Supporting Women & Finding Consensus

## Ian Lovejoy Supports Commonsense Policies for Virginia:

-  Prevent taxpayer funding for abortion
-  Expand adoption services and counseling for expecting mothers
-  Support new mothers with pregnancy expenses and services
-  Require fathers to pay child support to single mothers during pregnancy
